

# MATERIAL SAFETY DATA SHEET

---

## 1. Chemical product and company identification

Product name: **NATURFOS**

Manufacturer:

DAYMSA  
Camino de Enmedio, nº 120  
(Pol. Ind. Miraflores)  
50013 ZARAGOZA (ESPAÑA)

Telephone number: 34.976.46.15.16

Fax number: 34.976.41.59.86

---

## 2. Composition/ Information on ingredients

Substance

Chemical name: PK fertilizer

---

## 3. Dangers identification

Specific risks: this products is not classified as "hazardous substance" according to CE criteria.

---

## 4. First aid measures

Inhalation (in great number) : if the person feels unwell, consult a doctor.

Skin contact (in great number): wash with water.

Eyes contact: rinse immediately with plenty of water; if irritation persists, consult an ophthalmologist.

Ingestion (in great number) : if the person feels unwell, consult a doctor.

---

## 5. Fire fighting measures

Suitable extinguishing media: water spray, powder.

Unusual fire explosion hazards: none.

Protection of fire-fighters: self-contained breathing apparatus.

---

## 6. Accidental release measures

Personal precautions: for further information refer to section 8.

Environmental protection: this product doesn't present risk for environmental.

Methods for cleaning up: wash the floor with plenty of water.

---

## 7. Handling and storage

Precautions to be taken:

Store in original container in a dry place. Keep out of reach of children.

Other precautions: none

---

## 8. Exposure controls/ personal protection

Ventilation:

Local exhaust: Not normally required.

Special: Not normally required.

Mechanical (general): Use if ventilation is not adequate.

Other: work in ventilated area.

Personal protective equipment:

Respiratory protection: Not normally required unless vapors exceed acceptable levels.

Other protective equipment: Wear clothing consistent for handling and applying fertilizer.

---

## 9. Physical and chemical properties

Appearance: Liquid

Color: Blue

pH: 7,0 (to 20 % in water)

Density: 1.40 kg/L

Flash point: not applicable

Solubility: Soluble in water.

## 10. Stability and reactivity

Stability: stable at room temperature and in the normal conditions of use.

Hazardous reactions: no hazardous reactions known in the normal conditions of use.

---

## 11. Toxicological information

In the normal conditions of use, no adverse human health effects have been observed.

---

## 12. Ecological information

Biodegradability: easily biodegradable.

---

## 13. Disposal considerations

Note: The user's attention is drawn to the possible existence of local regulations regarding disposal.

---

## 14. Transport information

Rail/road: not affected.

Fluvial ways: not affected.

Sea: not affected.

---

## 15. Other information

This material safety sheet should be used in conjunction technicals sheets. It does not replace them. The information given is based on our knowledge of this product, at the time of publication. It is given in good faith. This data sheet isn't a guarantee about the product properties. This does not in any way excuse the user from knowing and applying all the regulations governing his activity. It is the own responsibility of the user to take all precautions required in handling the product.
